FAX MESSAGE NO. 73

To,

As per list enclosed.

Sub: Notice for Special Project Review Meeting (PRM) for ensuring data redundancy in case of failure of any one communication system at either of the control centre - reg.

Sir,

You may be aware that there was a total failure of real time SCADA data to all control centres from 05:53 Hrs of 08-August-16. As an interim arrangement, real time SCADA data was restored on 10-August-16 at 03:19Hrs. OCC advised Powergrid to provide redundancy for communication equipment system / route diversity of communication link / redundancy at both the control centres.

The issue was deliberated in 34th TCC and TCC felt that in case of failure of ICCP link/other communication equipment, the data availability needs to be assured at Main as well as Back-up control centres. TCC advised to convene a special SCADA meeting to discuss the issue and report back.

Therefore, notice is hereby given that the a **Special Project Review Meeting (PRM) for ensuring data redundancy in case of failure of any one communication system at either of the control centre** will be held on **14th February, 2017 (Tuesday)** at ERPC Conference Hall, Kolkata at **11:30 Hrs.**

Your participation in the meeting is highly solicited. The senior level participation from LD & C department of POWERGRID is very much required without fail.

Regards,

Yours faithfully,

(A. K. Bandyopadhyaya)
Member Secretary

List of Addressee:

1. Director (Projects), Bihar State Power Transmission Company Ltd. (BSPTCL), Vidyut Bhavan, Bailey Road, Patna-800021.
