Future Scenario and Challenges of Indian Power Sector

Organized by
National Power Training Institute (Ministry of Power, Govt. of India)
Eastern Region: Durgapur

In association with
Eastern Regional Power Committee (ERPC)
Central Electricity Authority

9th & 10th January 2020
At
The Hotel Vivanta, Kolkata

Supported by:

National Power Training Institute evolving as global trainer in emerging power sector
Theme of the conference

Indian Power Sector has achieved a significant growth over the years since independence and presently has ranked 3rd position in terms of production and consumption and 5th position in terms of installed capacity. This feat has been made possible with the enactment of Electricity Act, 2003, which has created a conducive environment to promote private sector participation and competition in the sector by providing a level playing field. This has led to massive investment in Generation, Transmission and Distribution areas.

In order to meet the challenges of ever growing electricity demand and to provide clean energy in future, all efforts are being taken to harness the significant potential of generation from renewable energy sources replacing thermal power across the country. Expanding the renewable base also requires adequate investment in grid modernization. The growing commercialization of battery energy storage systems and sharp reduction in capital cost of renewable energy technologies have helped countries look beyond conventional sources of power generation. The transmission companies have also been gearing up for technology adoption for a more secure and reliable grid. Implementation of smart grids with advanced information and communication technology will enable real time power flow information on the reliable distribution networks and greater interaction between suppliers and consumers. Open Electricity Market has given a new paradigm shift the way power is generated, transmitted and distributed. Installation of FGD(Flue Gas Desulphurization) system in the existing and upcoming thermal power plants to curb SOx emissions has gained pace. Hence, our priority in future scenario is to provide clean energy to future generation in a bigger way.

Conference coverage-Salient points

<table>
<thead>
<tr>
<th>National Electricity Plan - Present &amp; Future Scenario</th>
<th>FACTS &amp; HVDC</th>
</tr>
</thead>
<tbody>
<tr>
<td>AGC and Flexible Operation of Thermal Power Station</td>
<td>Distribution System Upgradation : Smart System Environment</td>
</tr>
<tr>
<td>Implementation of FGD for improvement in operational parameters</td>
<td>Restoration of Odisha Power Distribution System - Post &quot;PHANI Cyclone&quot;</td>
</tr>
<tr>
<td>Challenges and Issues in Integration of Renewable Energy Systems (RES) in to the Grid</td>
<td>Emerging Power Market in India - Power Trading and Power Exchange</td>
</tr>
<tr>
<td>Green Energy Corridor</td>
<td>Commercial Implication in Implementation of FRAS, RRAS, SCED and AGC</td>
</tr>
<tr>
<td>URTDSM (Unified Real Time Dynamic State measurement)</td>
<td>Deviation Settlement Mechanism &amp; Regulatory Affairs</td>

Call for papers

Paper on the above theme are invited from interested professionals, organization, manufacturers, agencies etc. Authors are requested to send abstract & full text of their paper (soft copy) in 12 points in Times New Roman font with single line spacing for publication in the proceedings cum souvenir.

Methodology

The technical sessions will be devoted to key note lectures from experts on themes, presentation of technical papers by various eminent personalities from relevant fields and discussions. The concluding session will be a panel discussion. Authors interested in presenting their papers on the theme may please send an extended abstract to email: nationalseminar.rptier@gmail.com
Patron-in-Chief:
Prof. (Dr.) Rajendra Kumar Pandey, Director General, NPTI

Patrons
Sh. Santanu Basu, IAS, CMD-WBSEDCL & MD-WBSETCL
Dr. P. B. Salim, IAS, CMD-WBPDCCL
Dr. Pratayaya Amrit, IAS, CMD-BSPHCL
Dr. Saurabh Gang, IAS, CMD OPTCL & GRIDCO
Sh. Bishnupada Sethi, IAS, Secretary(Energy) & CMD-OHPCL
Mrs. Vandana Dadel, IAS, Secretary (Energy) & CMD JUVNL
Sh. Rahul Kumar Purwar, IAS, MD-JBVNL
Dr. A.N. Biswas, Commissioner (Power), Govt. of West Bengal.
Sh. K. V. S. Baba, CMD, POSOCO
Sh. Ajeet Kumar Agarwal, CMD, REC Ltd.
Sh. S. Halder, Member Secretary, DVC
Sh. Niranjani Kumar, IP & TAFS, MD-JUSNL
Sh. A. K. Mishra, Director, National Smart Grid Mission
Sh. A. K. Sinha, MD-TVNL
Sh. C.Sivakumar, CEO, BRBCL
Sh. J. Bandopadhyay, Member Secretary-ERPC
Sh. Ashis Saha, MD, DPL
Sh. D. K. Jain, Executive Director-ERLDC, POSOCO
Sh. Rajesh Kumar, Chief General Manager, I/C ERTS-II, PGCIL
Sh. A. B. Rai, Secretary, ENPD, Govt. of Sikkim

Convener
Shri S. K. Srivastava, Director, NPTI (Eastern Region)

Technical Committee
Sh. Surajit Banerjee, General Manager, ERLDC, POSOCO
Sh. S. Kejriwal, Superintending Engineer, ERPC, CEA
Dr. M. Ravichandra Babu, Dy. Director, NPTI (ER)
Dr. C. Bhattacharya, Dy. Director, NPTI (ER)
Sh. T.R. Mohapatra, Chief Manager, ERLDC, POSOCO
Sh. J. G. Rao, Executive Engineer, ERPC, CEA

Steering Committee
Sh. G. Mitra, Sr. General Manager, ERLDC, POSOCO
Sh. Dipak Pandit, Dy. Director, NPTI (ER)
Sh. N. Ahmad, Chief Manager, ERLDC, POSOCO
Sh. B. Sarkhel, Consultant, ERPC, CEA
Smt. A. Indira, Dy. Director, NPTI (ER)
Sh. Rajneesh Vachhaspati, Dy. Director, NPTI (ER)
Sh. D. K. Bauri, Executive Engineer, ERPC, CEA
Sh. Prabhas Ankuri, Asstt. Director, NPTI(ER)

Speakers
Eminent and distinguished professionals as well as notable personalities from Power & Allied sector who are actively involved in regulatory affairs, Generation, Transmission, Distribution and Renewable Energy Sector, Research will be delivering invited lectures. The conference would be providing an interactive environment for useful discussions.

Dates & Deadlines
Submission of Abstract : 13-12-2019
Final acceptance : 23-12-2019
Submission of full text : 27-12-2019

The Conference Venue
The Hotel Vivanta, Kolkata
EM Bypass, Kolkata (West Bengal)

Sponsorship
Platinum Sponsorship - Rs. 5.00 Lacs + GST as applicable (10 delegates Complimentary)
Golden Sponsorship - Rs. 2.50 Lacs + GST as applicable (05 delegates Complimentary)
Silver Sponsorship - Rs. 1.00 Lac + GST as applicable (02 delegates Complimentary)

NPTI supports Make-in-India programs with Train-in-India capsule programs for global Professional Community
Registration Fees (Non Residential)
